SEMICONDUCTIVE OXIDE LAYER

STATEMENT OF SUBSTANCE OF INTERVIEW

COMMISSIONER FOR PATENTS  
ALEXANDRIA, VIRGINIA 22313

SIR:

The undersigned held a conversation with Examiner Barton in the above-identified patent application on February 4, 2010. During the conversation, the Examiner requested that Applicants file a Terminal Disclaimer with respect to the parent patent, and also approve certain informalities in the pending claims that would be corrected by way of Examiner's Amendment. Applicants agreed to the filing of a Terminal Disclaimer and enclosed herewith is an executed Terminal Disclaimer. Applicants also agreed to the proposed Examiner's Amendment.

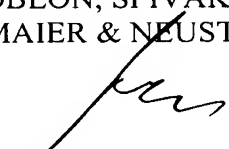

It is believed that a Notice of Allowance will now be issued and an action to that effect is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, L.L.P.
